# BLACK SNAKE

PRODUCTIONS  
WILDLIFE DISPLAYS & EDUCATION

Black Snake Productions has been traveling around Victoria and South Australia for well over a decade bringing our range of animals and a wealth of information to thousands of people across the rural areas of southern Australia.

The very popular venomous snake safety pit and talks allow the public to learn how to safely and effectively deal with venomous snakes in day to day life and how important they are to Australia's agricultural industry.

Our mobile zoo displays are also a big hit with families, allowing them to get up close and meet crocodiles, dingoes, pythons, wallabies, owls, giant lizards and more.

We are willing to travel anywhere in Victoria and south Australia and can add a unique, fun and educational aspect to any show or field day!

"I have always found Black Snake Productions to be extremely professional and excellent presenters of wildlife education sessions. I simply cannot recommend them and there wildlife displays and demonstrations highly enough."

Jo Rodda Mildura, Field Days Coordinator

Licensed & with close to 20 years wildlife education Black snake productions is Victoria's leading provider of snake pit talks & wildlife education at events!
